

TWO SIDE TABBING IN ONE PASS!

ATS 309

Dual Head Multiple Tabber/Stamp Affixer

The ATS-309 Tabber/Stamp Affixer is a true multitasker. It can apply tabs on opposite sides of the same piece in one pass. Or simultaneously apply tabs to the front and side of a piece. You can apply stamps, small labels and flat tabs with equal ease. The ATS-309 can handle clear, translucent and paper tabs from 3/4" to 1.5" diameter. The solid steel construction will last for years. An optional Friction Feeder and Conveyor/Stacker are also available.

Product Highlights:

- Easy to set up and operate
- Fast! Applies up to 25,000 pieces/hour – Tabs accurately placed and tightly closed
- Reliable, consistent performance for medium to high production runs
- Optional synchronized detachable Feeder for stand-alone applications.
